OUR LEGACY

Designed in the Cotswolds, England

SINCE 1955

OVER 60 YEARS OF AWARD-WINNING DESIGN

Robert Welch, one of the most respected British designers of the 20th century believed that everyone should be able to use beautifully designed products in everyday life.

In 1955 he established his own company in the beautiful Cotswold town of Chipping Campden, specialising in stainless steel product design.

His most important commissions are in collections throughout the world, from the Victoria and Albert Museum and the British Museum in London, to the Museum of Modern Art in New York.

Robert Welch

Robert Welch

DESIGNED THE ROBERT WELCH WAY

Robert's son and daughter, Rupert and Alice have been running the company for the last two decades.

Under their direction, a talented team of in-house designers continue to create award-winning products.

We are proud to design and manufacture products in stainless steel which is a highly sustainable material and is made to last a lifetime.

Robert Welch

The Dining Experience

It is well documented that the quality, weight, and balance in the hand of cutlery during the dining experience has a subliminal effect on the enjoyment of food. This is why we are passionate about providing you with products that your customers will enjoy using, course after course, time after time.

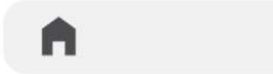

Robert Welch

SANDSTONE BRIGHT

Sandstone's beautiful surface reflects the light with a gentle glow, creating a statement on the table. The texture has the added benefit of scratch marks being less obvious in a demanding environment.

VIDEO ▶

Robert Welch

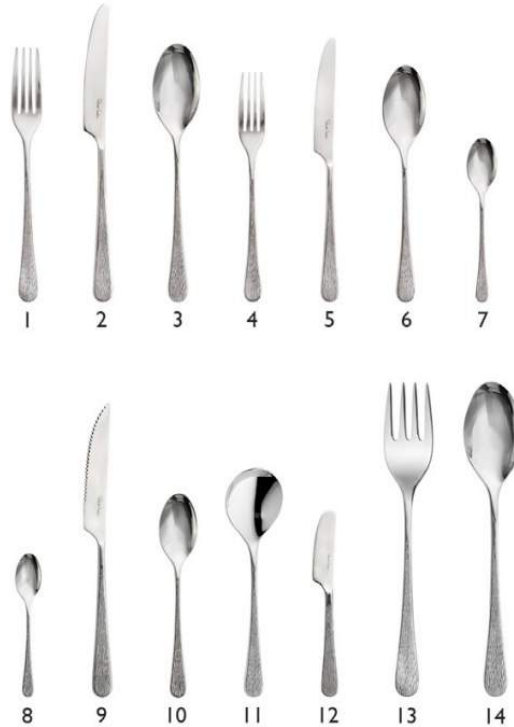

SKYE BRIGHT

Skye has a slim and elegant profile and features a textured finish to the handles, inspired by the silversmith technique of long hammer planishing.
